MEMORANDUM FOR: [REDACTED]

SUBJECT: Request for External Training

25X1A

REFERENCE: Your Memorandum to DCI, Undated, Same Subject

1. I have considered your request for Agency-sponsored, external training and sincerely regret that it must be disapproved. Since your particular request is directed to external training, it is not authorized under the provisions of Title 5, U. S. Code, Chapter 41. This opinion is supported by the Office of General Counsel.

2. As you are probably aware, I have directed that every effort be made to assist personnel in your category with placement in other Directorates or non-CIA employment. Toward this end, some internal training courses are available that could possibly improve your qualifications for other employment. If you have any questions relating to the availability of this training or need assistance with registration, it is suggested that you contact your component training officer.
